**INVITATION FOR BID**

**FOR THE "OPERATION & MAINTENANCE OF THE TWO COMBINED  
CYCLE POWER PLANTS IN DEIR-AMAR AND ZAHRANI" PROJECT**

The Electricité du Liban (EDL), the public electric power utility in Lebanon, owns two combined cycle power plants, one in Deir-Amar, about 85 km north of Beirut, and the other in Zahrani, about 65 km south of Beirut. The construction of the power plants has been carried out by a joint-venture of M/s Ansaldo Energia and M/s Siemens AG. Each of the two power plants has a total capacity of approx. 450 MW, comprising 2x150 MW Gas Turbines and 1x150 MW Steam Turbine.

EDL wishes to engage Firms through competitive bidding for the **OPERATION & MAINTENANCE OF THE TWO COMBINED CYCLE POWER PLANTS IN DEIR-AMAR AND ZAHRANI** under an Operation and Maintenance Contract (O&M Contract) under the International Competitive Bidding (ICB) procedures. The cost of the services will be financed by EDL.

Bid documents will be available for collection during official working hours, upon payment to EDL of a non-refundable cash deposit of 1,500,000 LBP (One Million and Five Hundred Thousand Lebanese Pounds), from EDL offices at the following address:

**ELECTRICITE DU LIBAN  
TWELFTH FLOOR - OFFICE No. 1223

LEBANON  
PHONE: 961-1-442720 → 442729  
FAX: 961-1-583084**

All prospective bidders will be invited to attend a pre-bid meeting, which will take place at venue and time to be assigned later. Any addendum to be issued shall be part of the bidding documents, and will be communicated in writing to all purchasers of the bidding documents.

In order to be considered for inclusion in the Bid process, Firms should return the documents to EDL offices at the above mentioned address, at the latest, on Tuesday 26<sup>th</sup> of May 2015 at 15:30 hours (Beirut local time), duly completed and accompanied by the required supporting material.

The Bids of Firms will be examined for eligibility based on Post-Qualification criteria specified in the bidding documents. The Firms who pass the Post-Qualification criteria will have their offers subject to detail Technical Evaluation and, thereafter, to Financial Evaluation.
